

Let's Celebrate Safely

The Heroes Foundation is committed to the safety of our guests and staff. Please take note of the safety protocols we have put in place for the An Evening With Heroes gala on Saturday, January 29, 2022.

At the Event

The Heroes Foundation is working with the JW Marriott and event planners to mitigate risk where possible. We encourage you to take personal measures to protect yourself, including wearing a mask. We will have a limited supply of paper masks on site for guests who need one.

We highly recommend pre-registering before you arrive at our event. This will significantly reduce your time spent at registration tables and ensures you will receive all event updates immediately.

JW Marriott Indianapolis staff are required to wear masks, and vaccination is highly recommended for their employees. All surfaces in the JW Marriott Indianapolis undergo regular, thorough cleaning.

Duty to Self-Monitor

By attending the An Evening With Heroes gala, individuals certify that they have not experienced any symptoms associated with COVID-19 within (5) days prior to the event.

Event Disclaimer

Attendees voluntarily assume all risks incidental to the event for which the ticket is issued, whether occurring before, during or after the event. All attendees assume all such risks related to illness and infectious diseases, such as COVID-19.

We will continue to follow official government and local authority guidance and make changes to our safety protocols as needed.
